STEPPING STONE

Bayport-Blue Point
High School
Bayport, New York

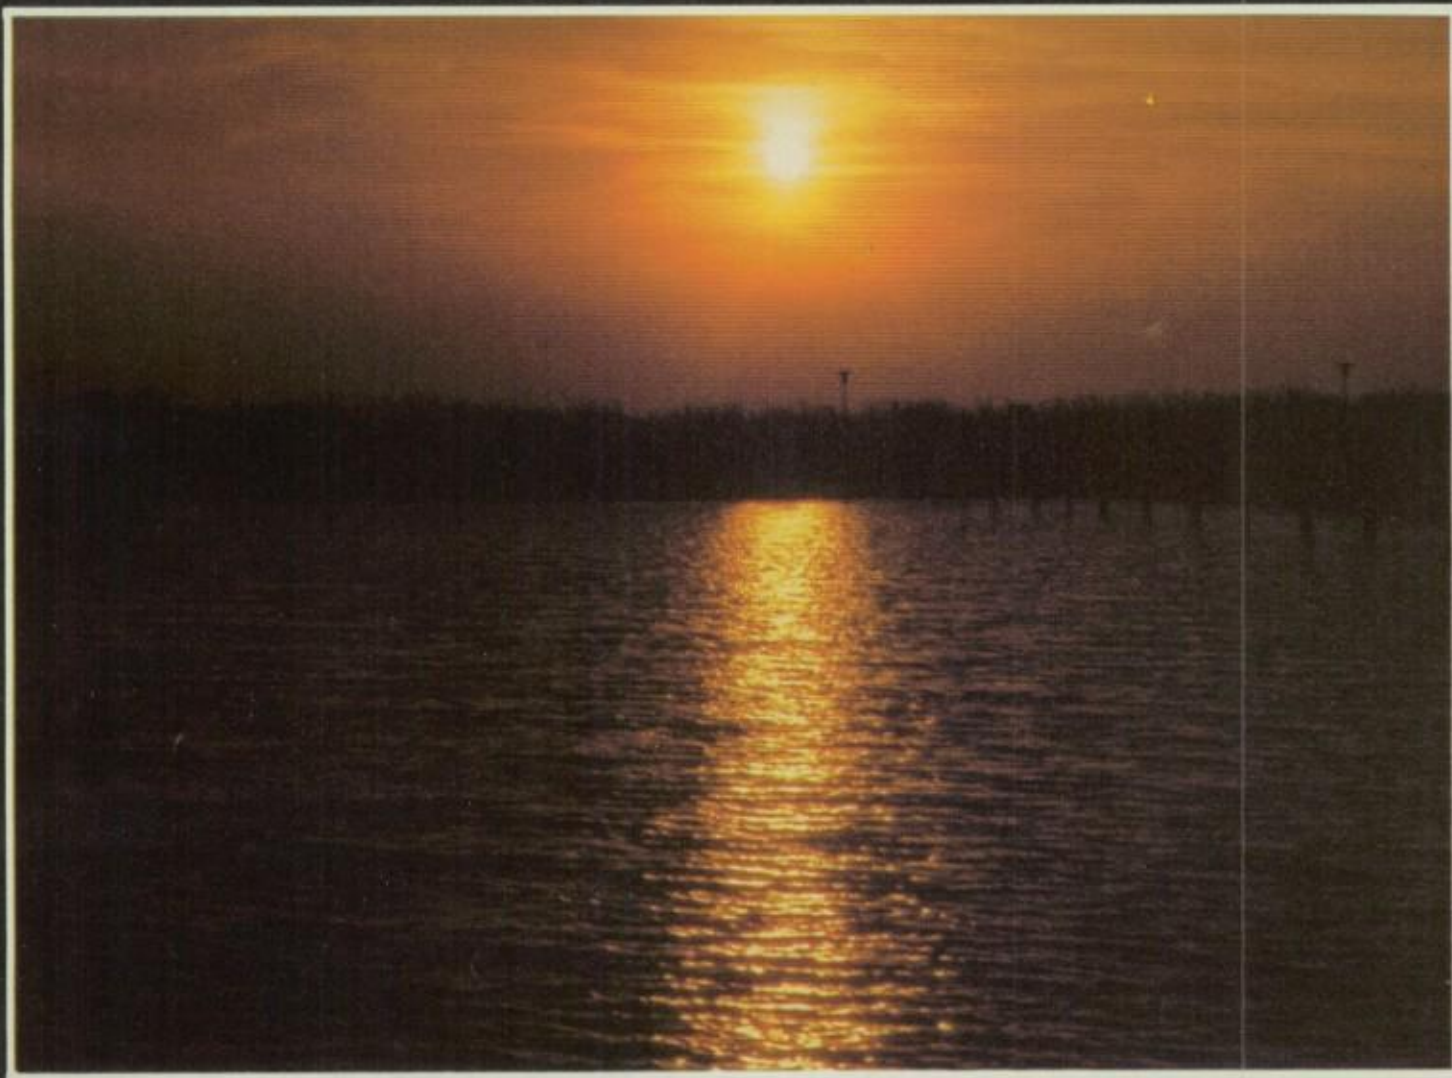

Dear Lisa -

I'm glad this year is over,
even though that it was a
pissed.

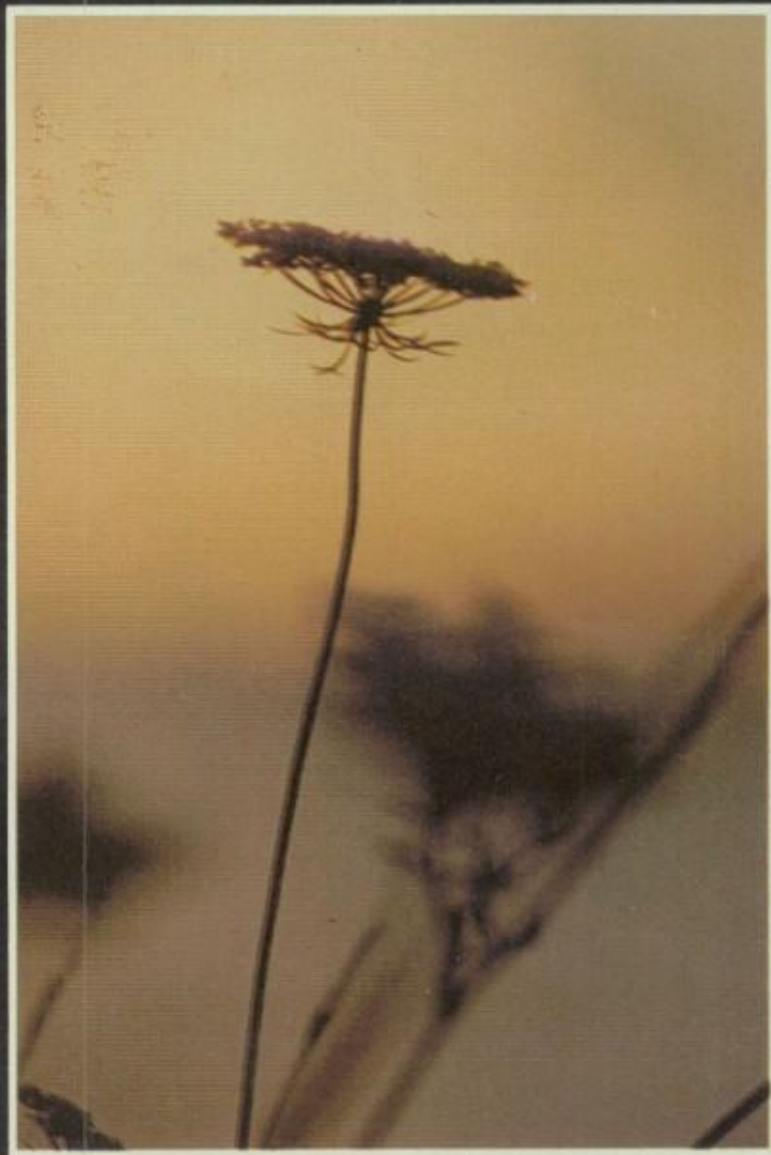

Take care, See ya this
Summer.

Much Love,

Dana

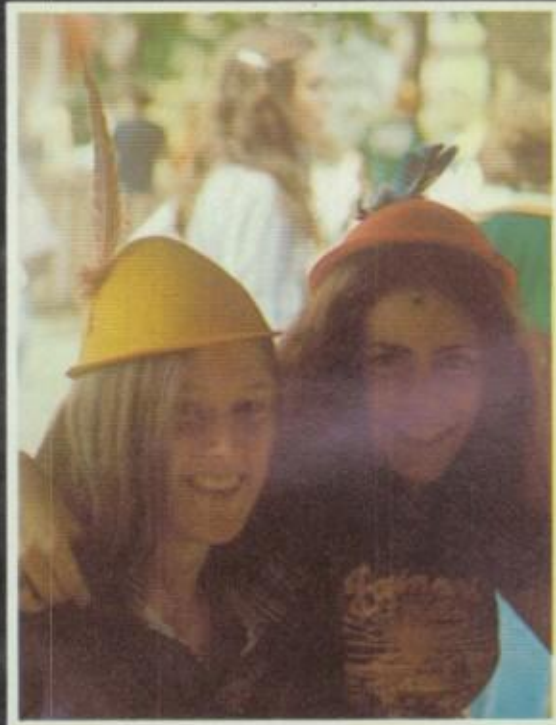

To end
is to
begin
again.

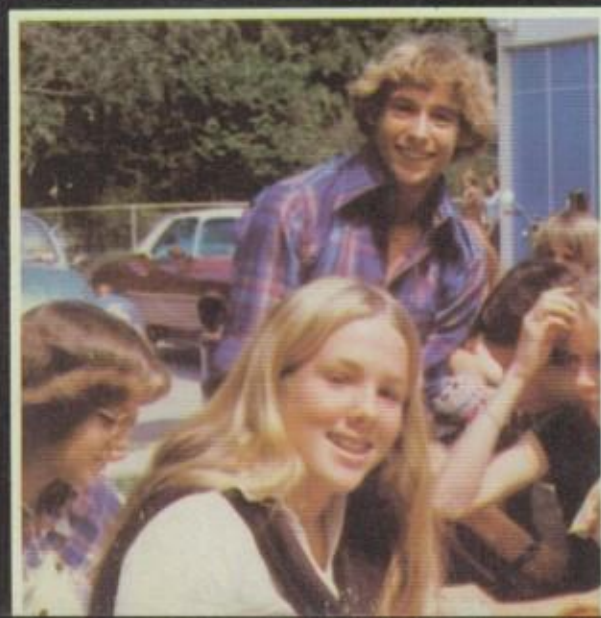

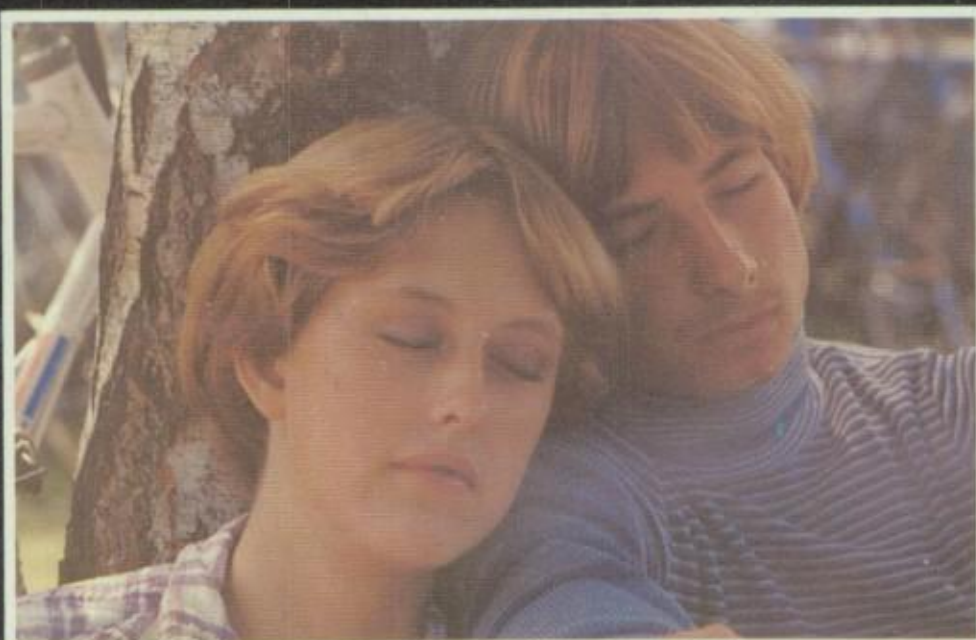

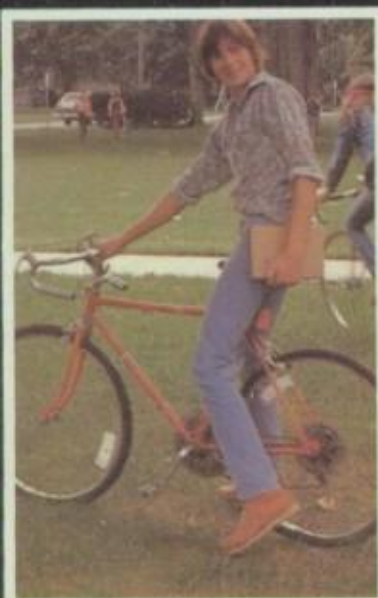

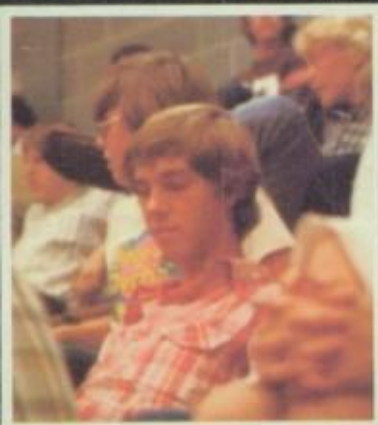

Nothing ever ends
and removes itself
from us,

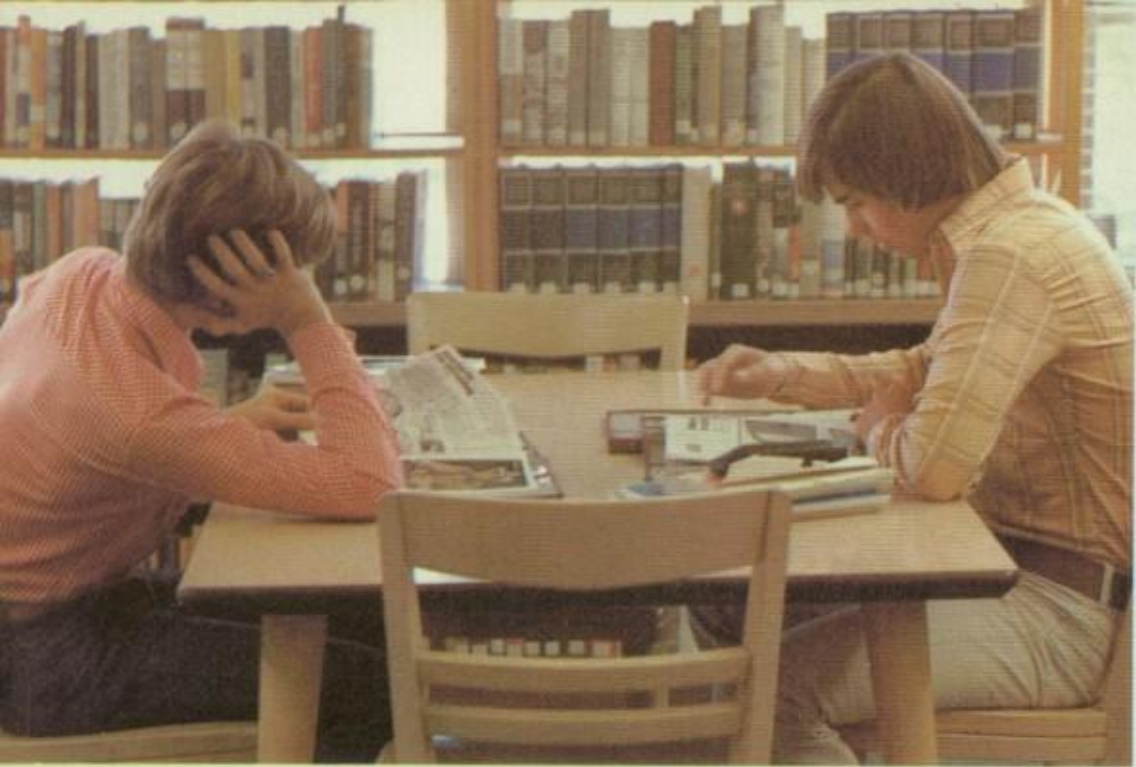

But instead
is born anew
and full
of life.

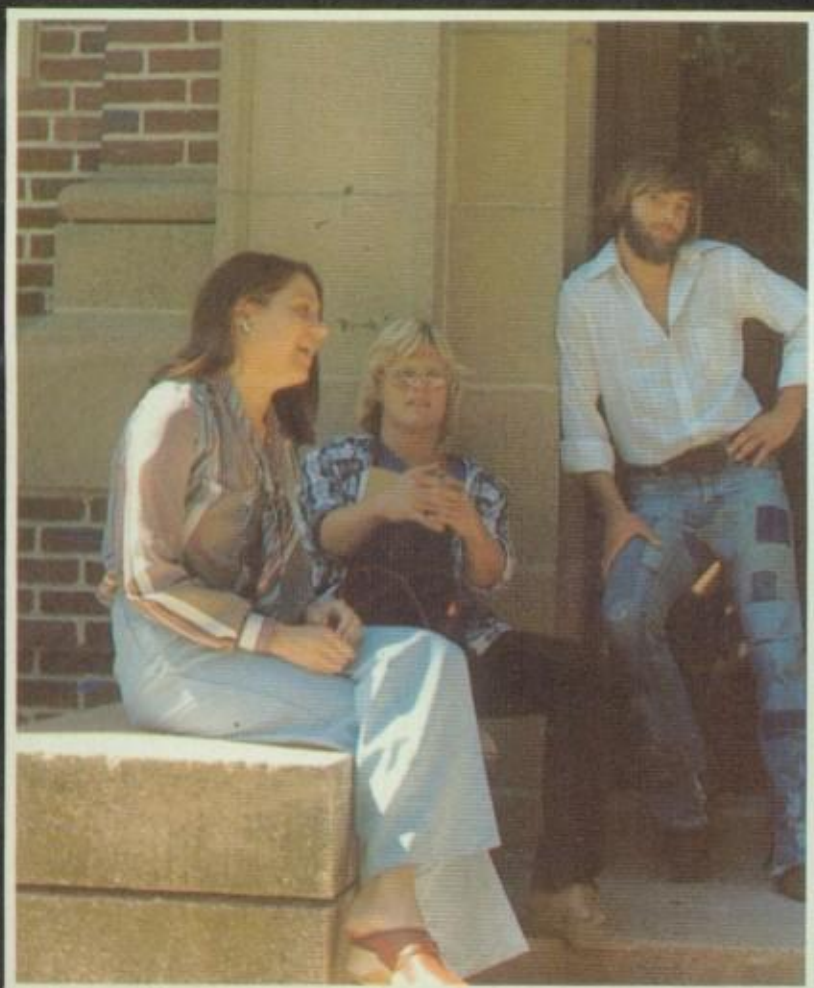

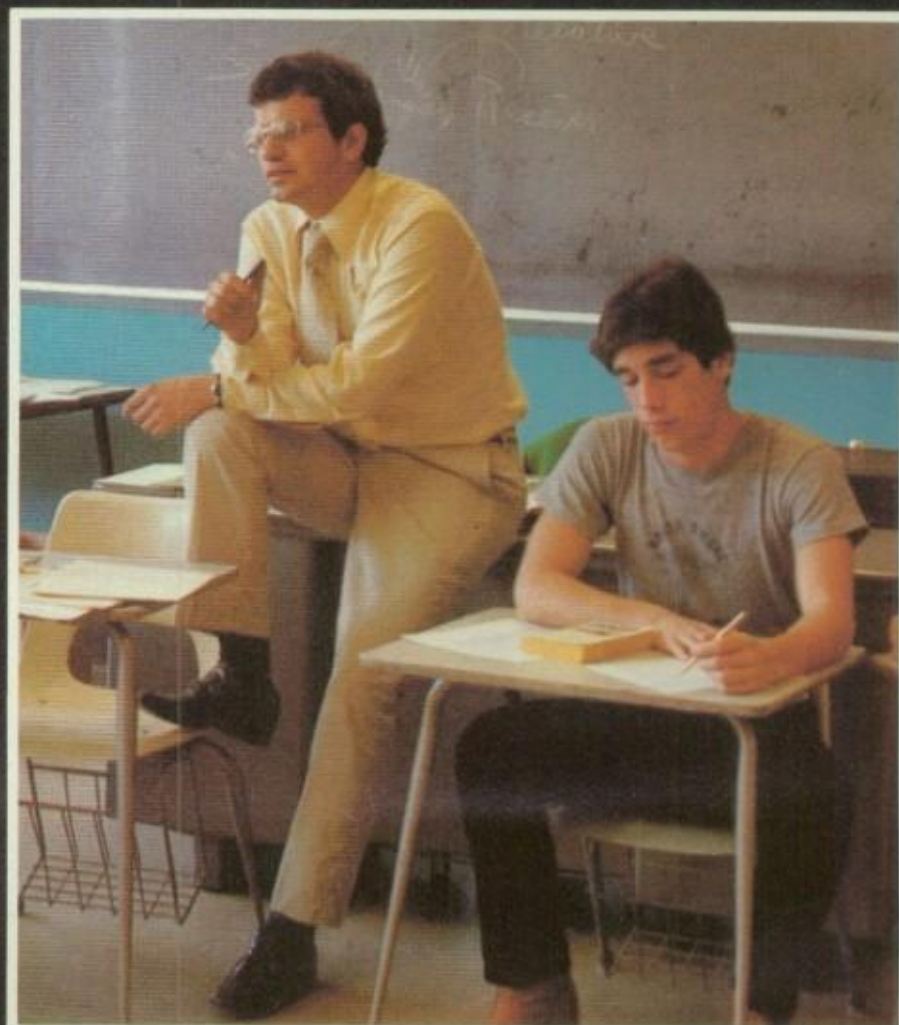

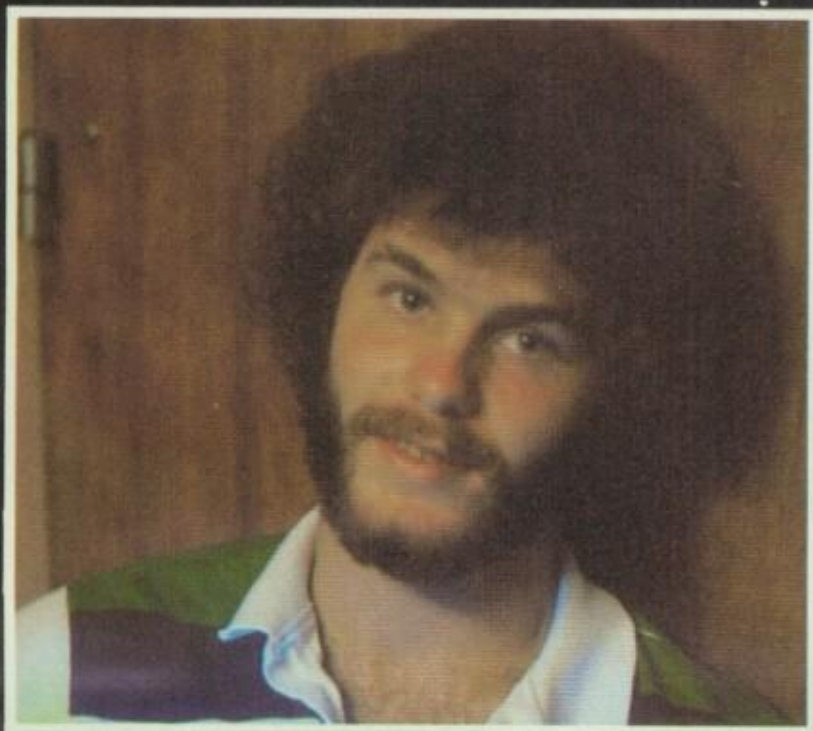

In death there
is birth;
In cessation,
creation.

What we think may be
a final end, is merely
a transformation of life.

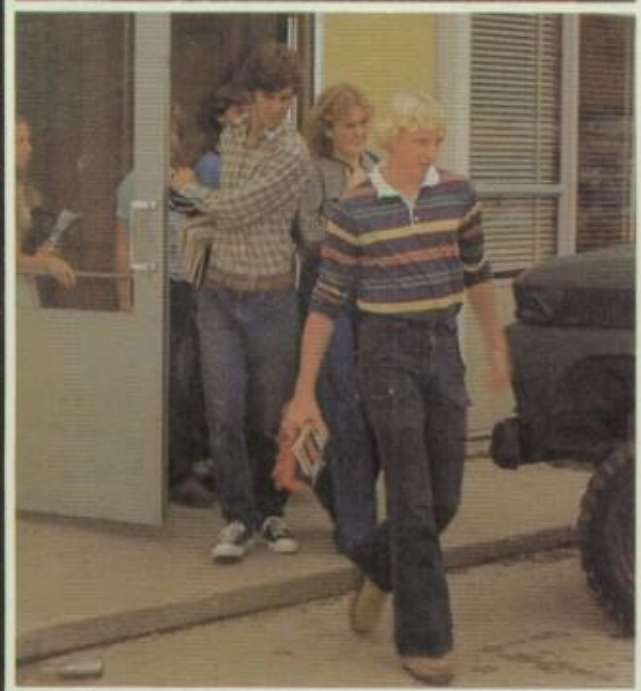

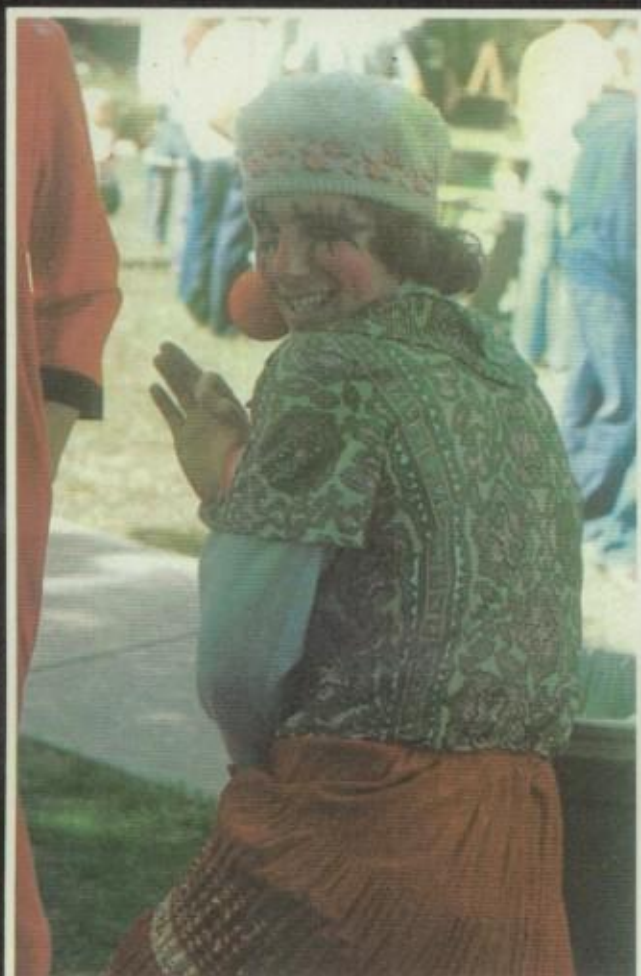

We may one
day forget
what we've
done,
where we've
been,

But these
things will
always be
the
essence
of our
lives.

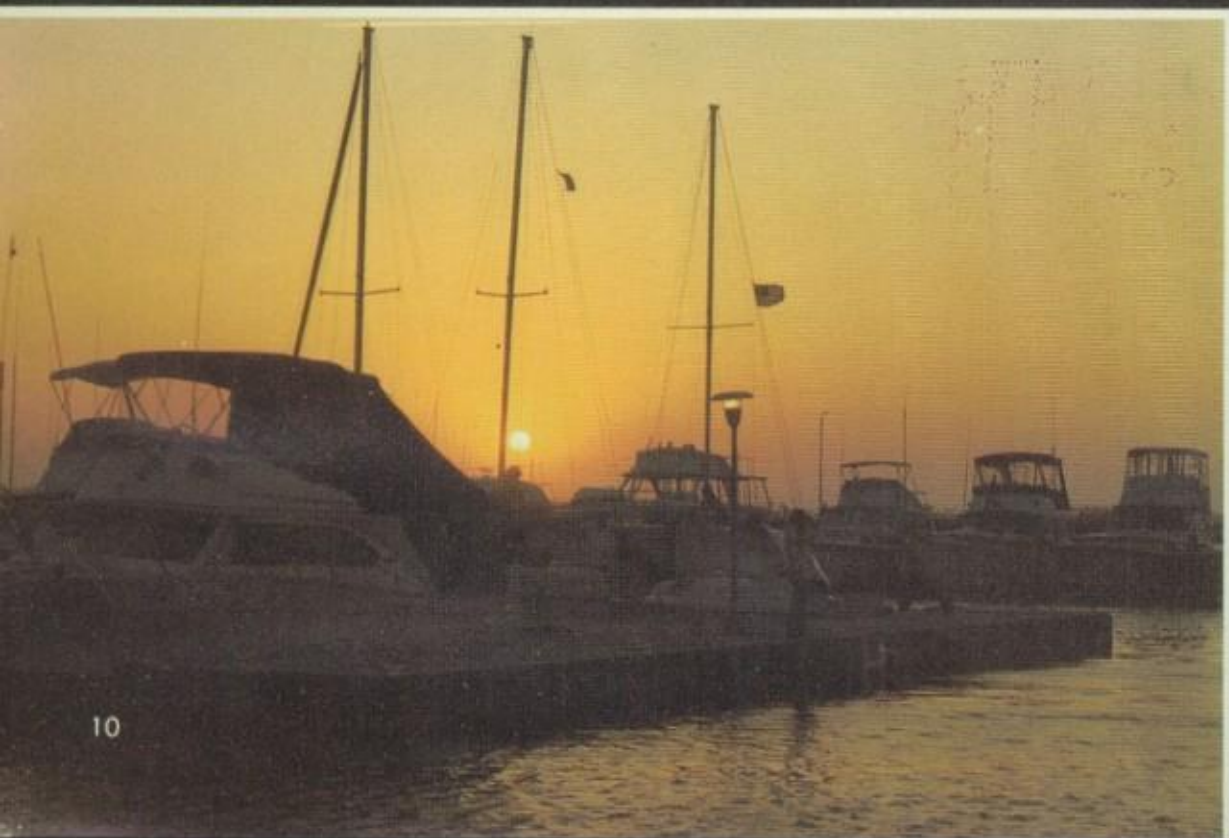

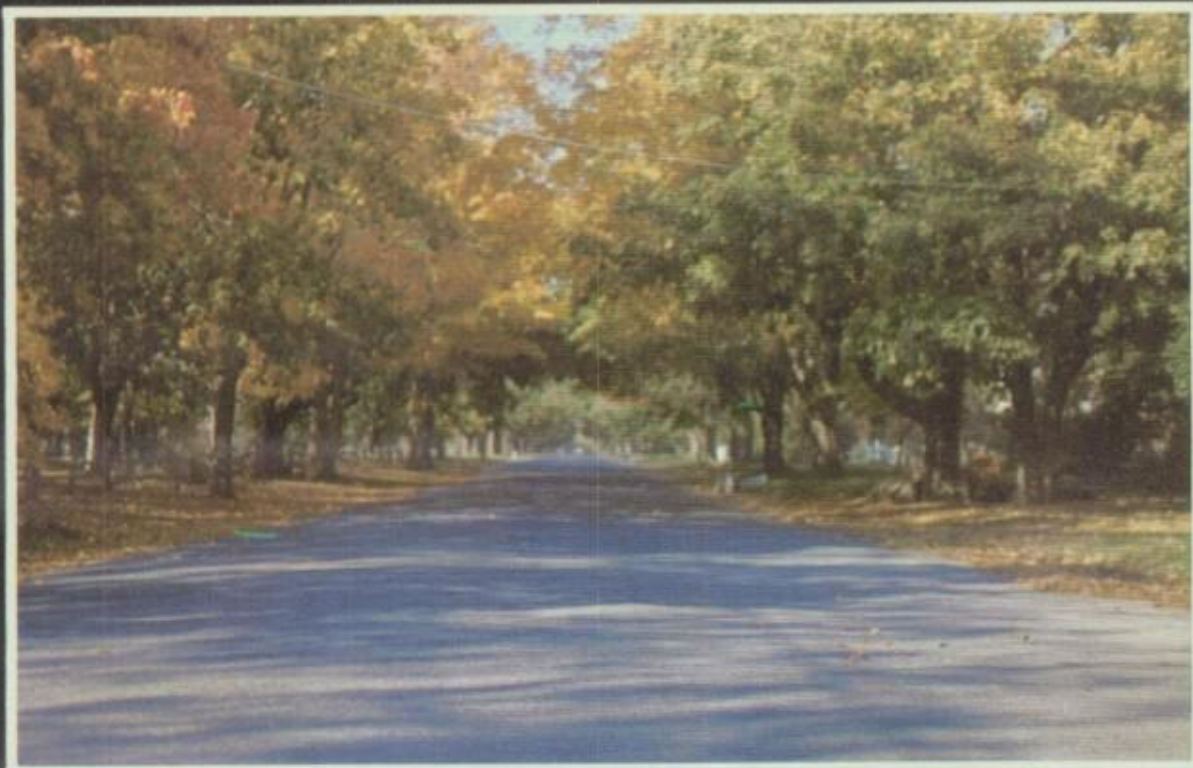

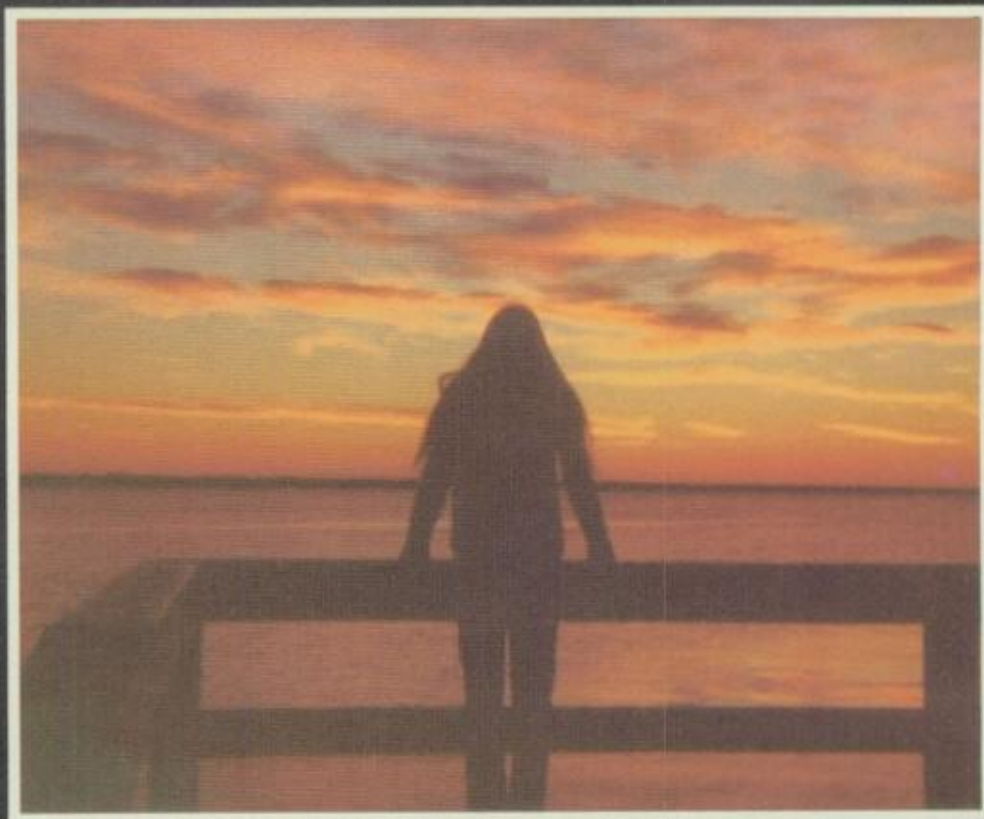

We may go
from here
with a thought
of a good-bye,

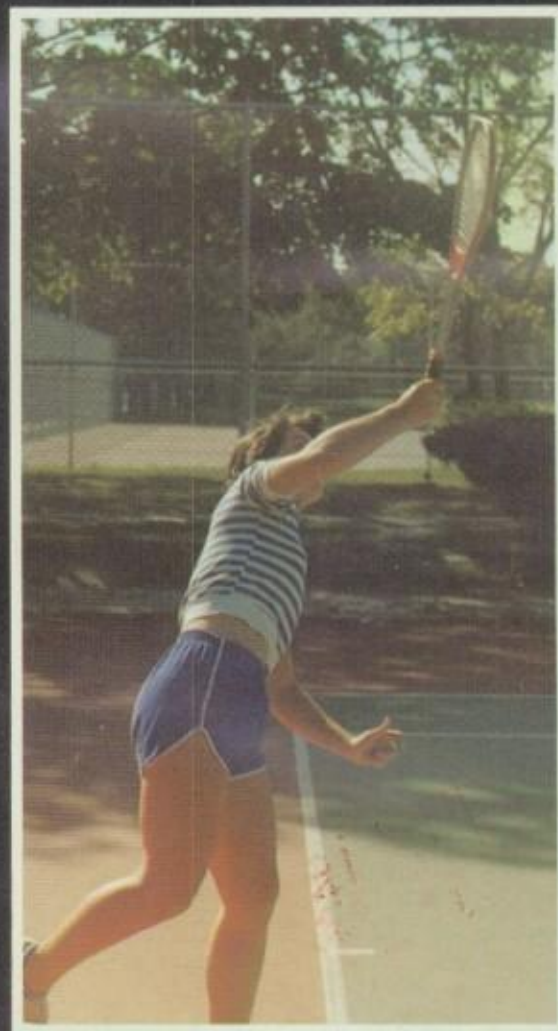

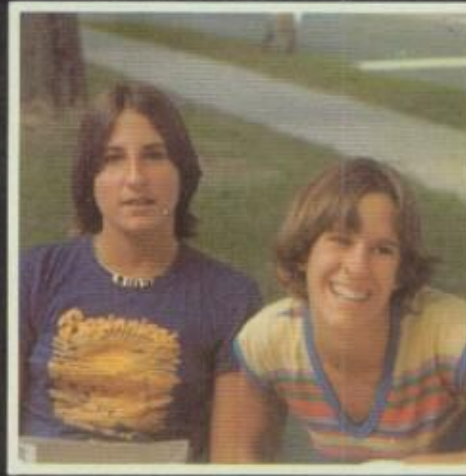

But we'll greet each new
day with anticipation
of those things yet
to reveal
themselves to us.

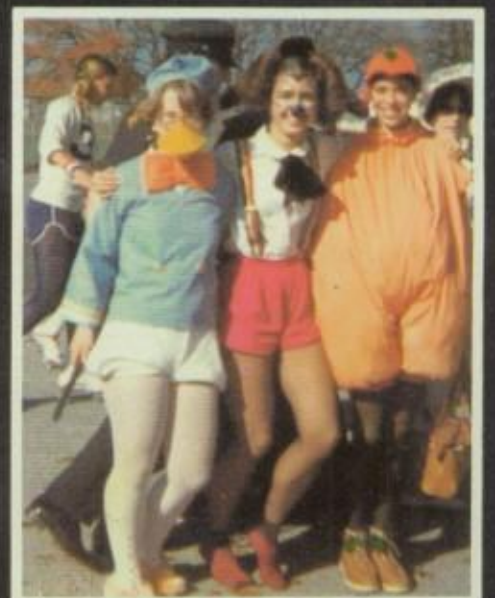

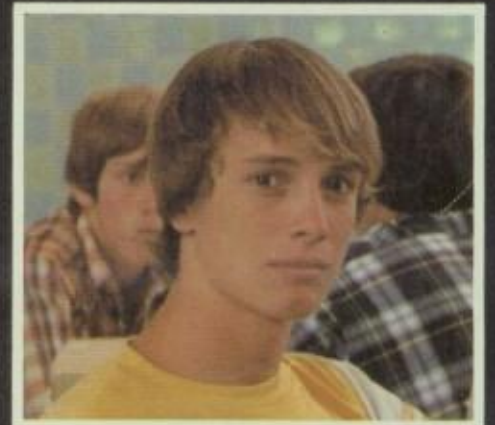

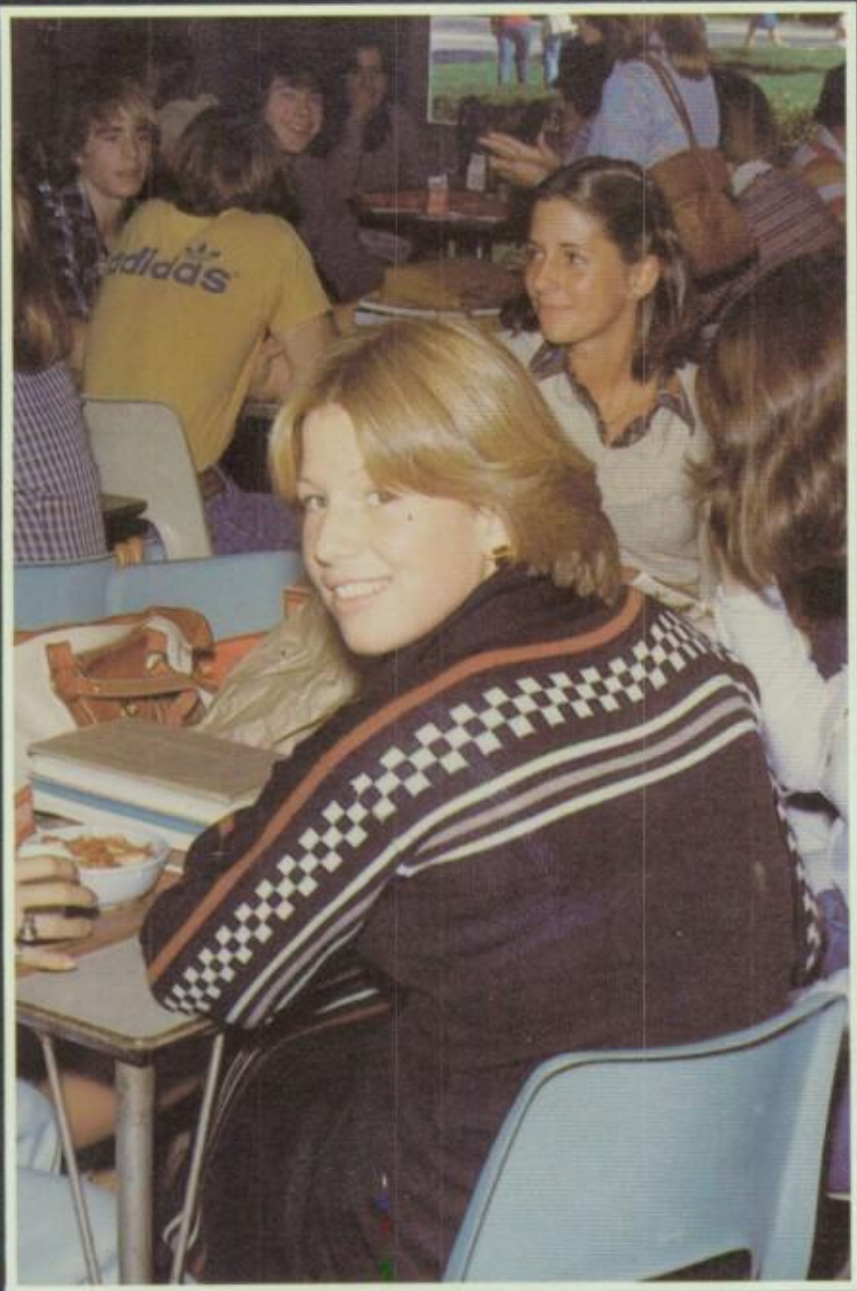

With a gentle
breeze at our
backs, and the
warm sun upon
our faces,

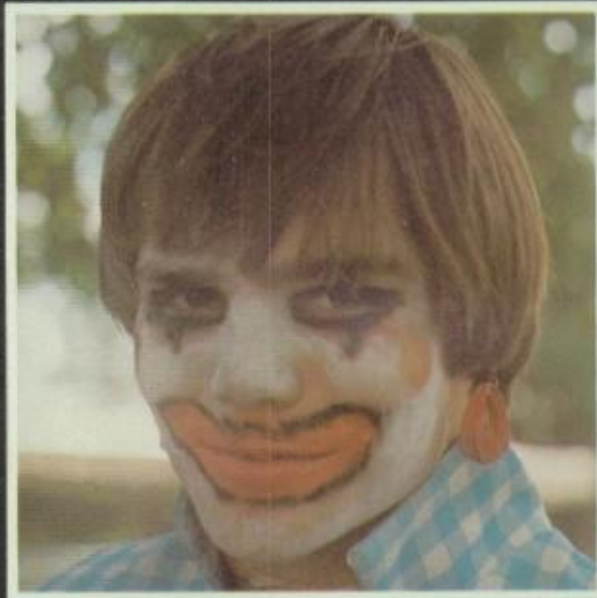

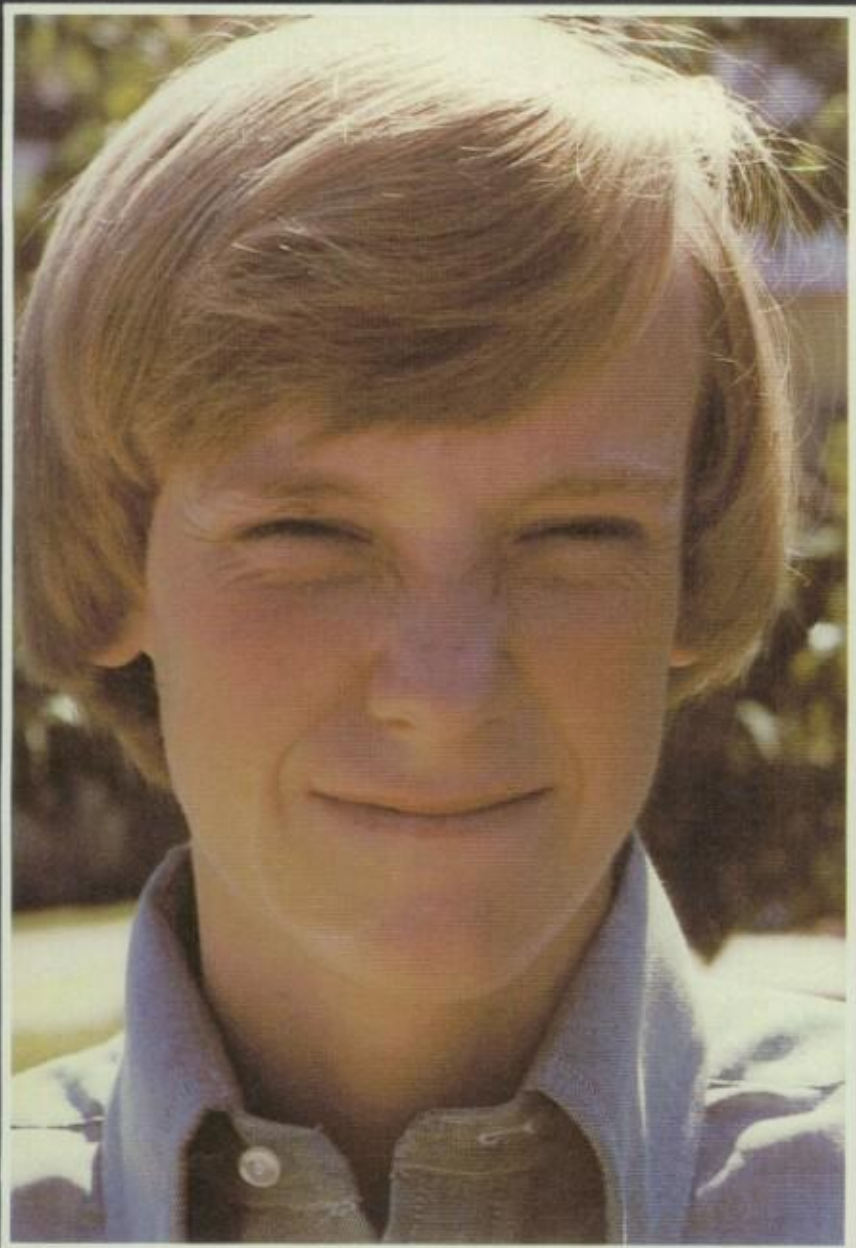

We will grab life by the hand
And say, "Show me!"

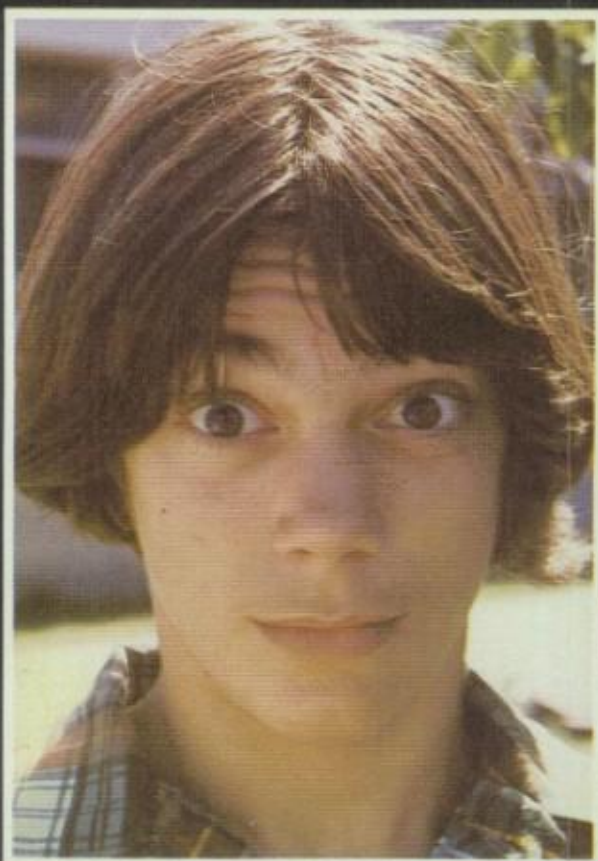

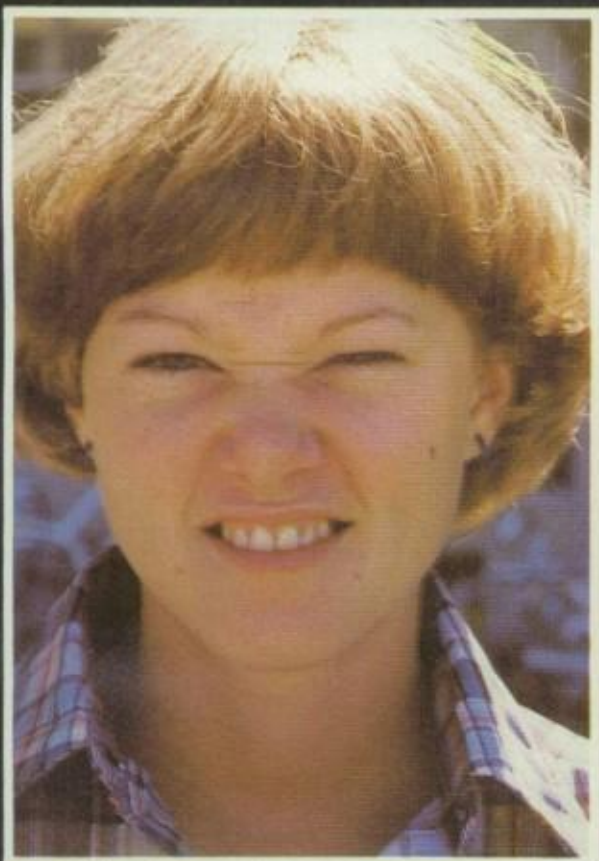

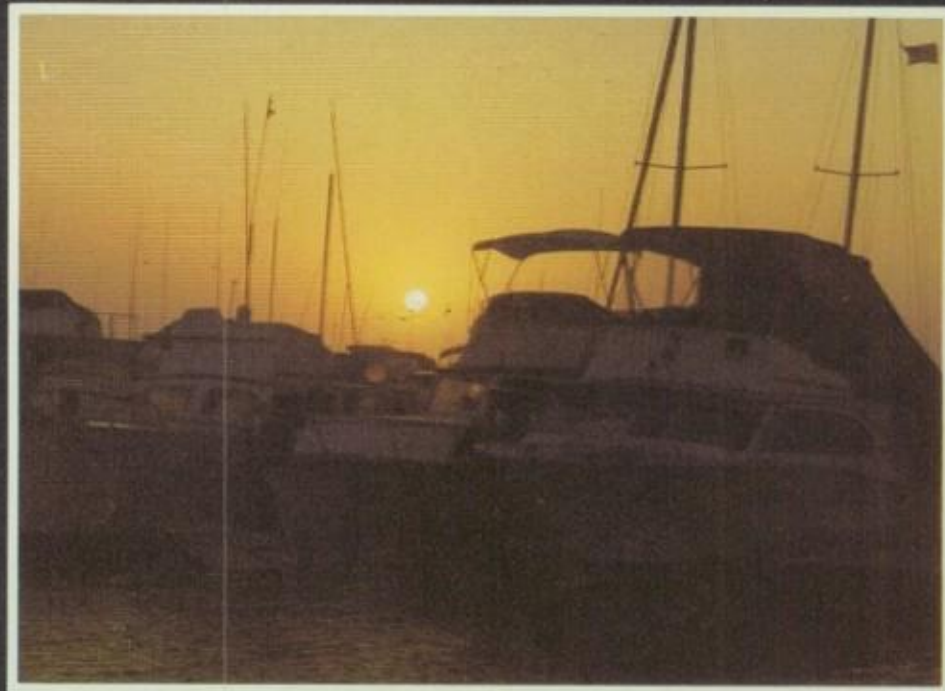

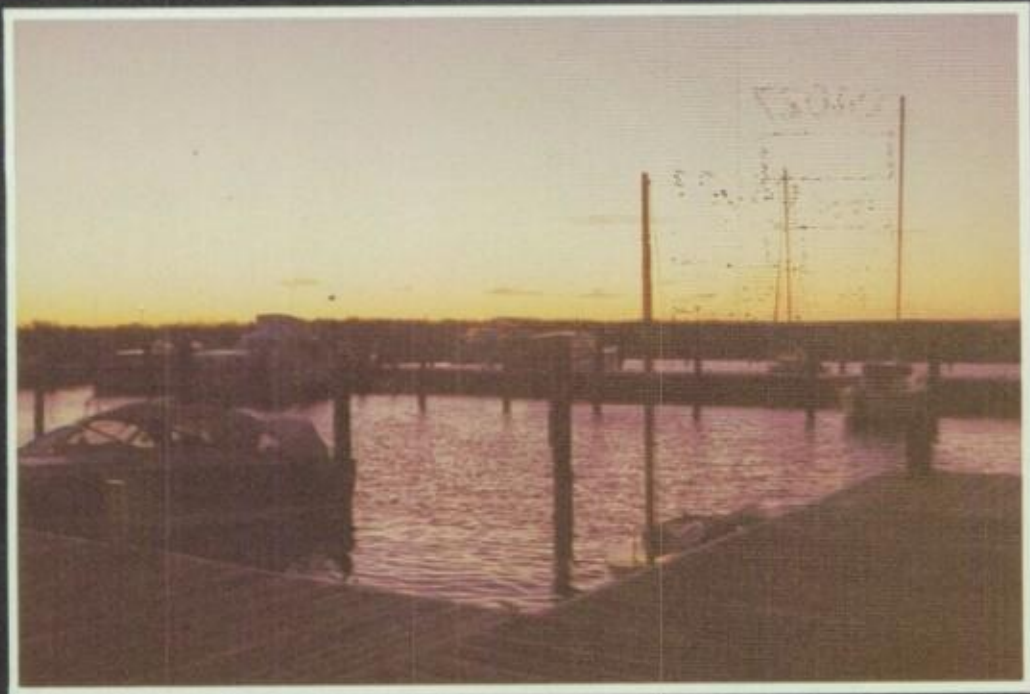

We will walk through
life, with
strides
of self-
assurance

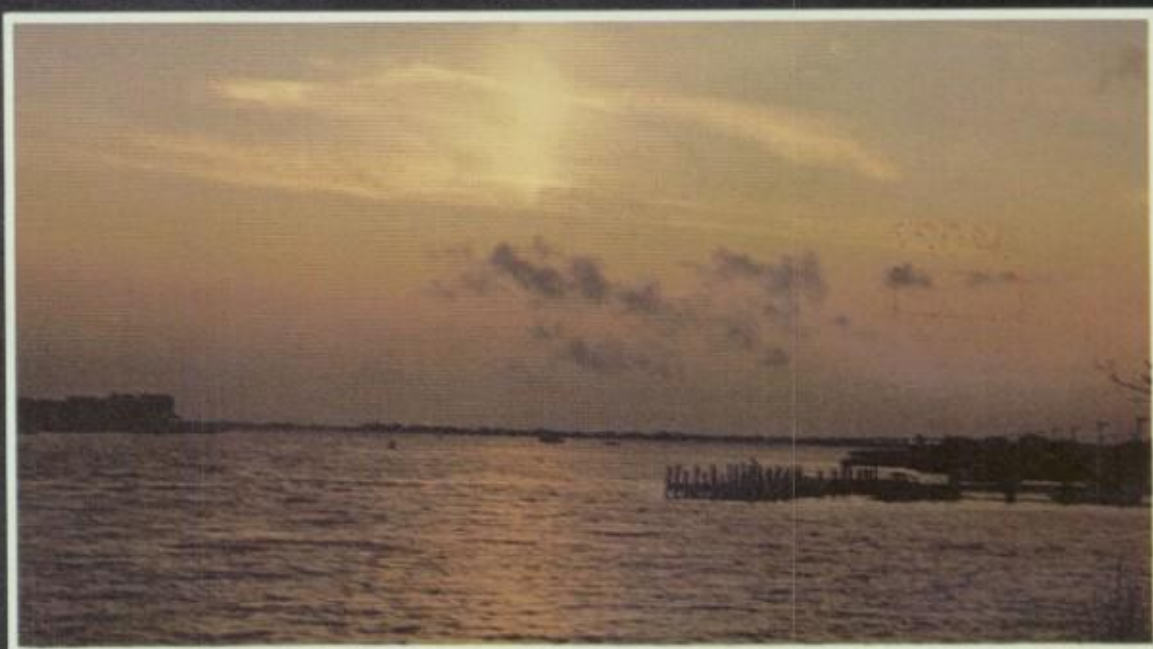

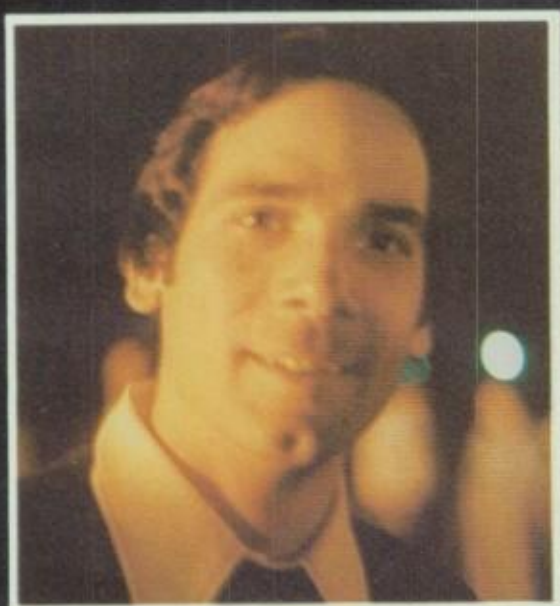

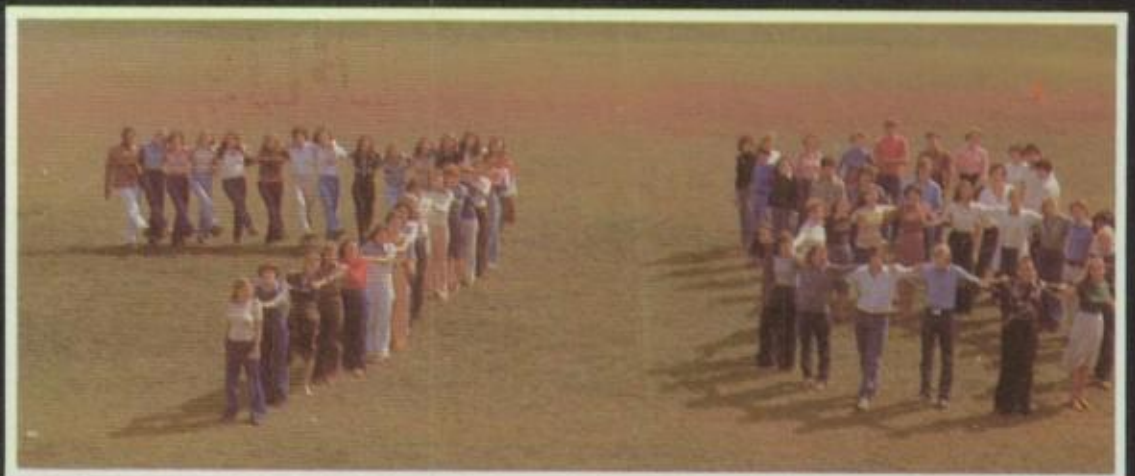

As we slowly begin to
see that there are no
starts and finishes,

No beginnings and no endings

But rather, openings and closings
of the many verses of our lives.

WE DEDICATE THIS BOOK TO

Each year Bayport-Bluepoint High School has provided us with memories that will be treasured throughout our lives. As a class we've grown in many ways, having been taught valuable lessons that will be forever retained in our minds and hearts. We've had our share of laughter and tears. We've learned how to win and how to lose. We could never have learned or accomplished so much without the guidance of two individuals who have given unselfishly to the class of 1978. Words cannot express all the love and appreciation we have for them. Their loyalty and dedication will never be forgotten. As a small token of appreciation we, the class of 1978 proudly dedicate our yearbook to you, Louisa Eierman and to you Fredrick Coverdale.

*Lisa,

Arena, a great schedule,

Friedland*

This is the story of a young man, not too long out of high school, who became very unhappy about his life. His job didn't interest him; his friends lost their appeal and he felt himself drifting aimlessly. One day, he heard of the existence of a very wise old man who, it was said, knew the real meaning of life. Unfortunately, this wise man lived high up on a mountain top in the farthest reaches of Tibet, a most distant country.

Undaunted, the young man quit his job, took all of his money from the bank and set forth to find out the secret of life. He took tramp steamers across several oceans and then journeyed by train and bus and even by elephant to get to the foot of this mountain. He got the best guides the last of his money could buy. Despite several bad storms and a very risky climb to the top of the mountain, he finally stood in the presence of this very old but very wise man.

Respectfully, he said, "O, wise man, I have journeyed across the entire world and have spent all of my money and I even have risked my life just to see you. Would you please share with me your knowledge of the secret of life?"

The wise old man looked at him for the longest period of time. Finally, he spoke.

"Wet birds fly at night."

A moment of silence passed and finally the young man said, "Wet birds fly at night? Is that it? Is that the secret of life?"

The wise old man said, "Wet birds fly at night."

The young man felt disturbed, puzzled and very agitated. He fairly flew down the mountain. But suddenly, he stopped. The thought came racing through his mind. "There is NO secret of life." He felt curiously elated. He suddenly realized that he had even enjoyed the journey. And then, another thought made his eyes widen. "That's it! That's the secret of life. There is no ONE secret of life. It is the SEARCH that counts! It is the quest FOR something, the commitment TO something; THAT is the essence of life!

He went down the mountain, smiling, very much at peace with himself.

Peace and self fulfillment to you. May you have a good journey.

Affectionately,

Stan Friedland

Bayport's league leading defense?

The Varsity Soccer team started off the season with high hopes. With seven back from last year's championship team, the Phantoms figured to win the league VI title again. The team, however, did not figure on the improvement of Longwood and William Floyd or the spirited play of Bellport. After the first five games, the team was only 1-4. Despite the losses, the Phantoms gained confidence and composure and began to jell as a team. In the last eight games, the Phantoms' record was 4-2-2 including wins over Bellport, the eventual league champs, and Sayville. The final team record was 5-6-2, leading league VI in defense with six of their losses by one goal.

Bayport's rowdy supporters.

Finta trips again.

All league players were:

John Castillette - forward
 Ricky Gerard - forward
 Ed Isaacson - defense
 John Finta - goal

European-American player of the year was Sean McDonnell.

Go Silvana!

The Varsity Field Hockey Team had their most successful season in Bayport history. The team finished second in their league with a record of 6 wins, 3 losses and 1 tie.

Some of the records the team broke this year were: most games won (8 overall), most goals scored by the team, (21), most goals scored in a season by an individual, (Sarah Isaacson with 13), and most shut-outs by a goalie, (Lydia Bennett with 8).

The team was the first in Bayport girls' athletics to make the county play-offs. Another first were three all league players, Sarah Isaacson, Jane Pacilio, and Lydia Bennett. Lydia also made all conference.

The entire team worked long and hard and all did an outstanding job in contributing to this year's successful season.

We had a very successful season this year. Sophomore Carey Ann Carter, qualified for the league championships as an all-around performer and at this meet, qualified for the county meet in vaulting. She set school records in all events: 7.35 in vaulting, 5.75 on uneven bars, 6.3 on balance beam and 7.3 on floor exercise. We look forward to a very successful season in 1978 with strong all-around performances by Carey Ann Carter, Jeanne Kleis and Mary Kleis with great team support from Connie Dooley, Chris Hassard, Lara Kelly, Linda Earle, Linda Riefenstal, Sue Sileo, Dawn Heyse, Roseanne Buckley and Laurene Bonnano.

We will certainly miss our Seniors, Debbie Fallor, Roberta McKendrick and Terri Fricke. We wish them continued success and happiness.

Record - 4 wins, 8 losses

The girls had a good season losing only to Port Jefferson in our conference. Debbie Brown was captain and won the majority of her matches at the number one singles position. The team has improved steadily over the last four years and the loss of the Seniors will hurt us next year.

The 1977 football season opened with a resounding victory over Riverhead 28-14. Bayport had not beat Riverhead or scored a point against them in three previous outings. The Phantom passing attack stunned the Blue Waves and the defense shut off a potent running attack.

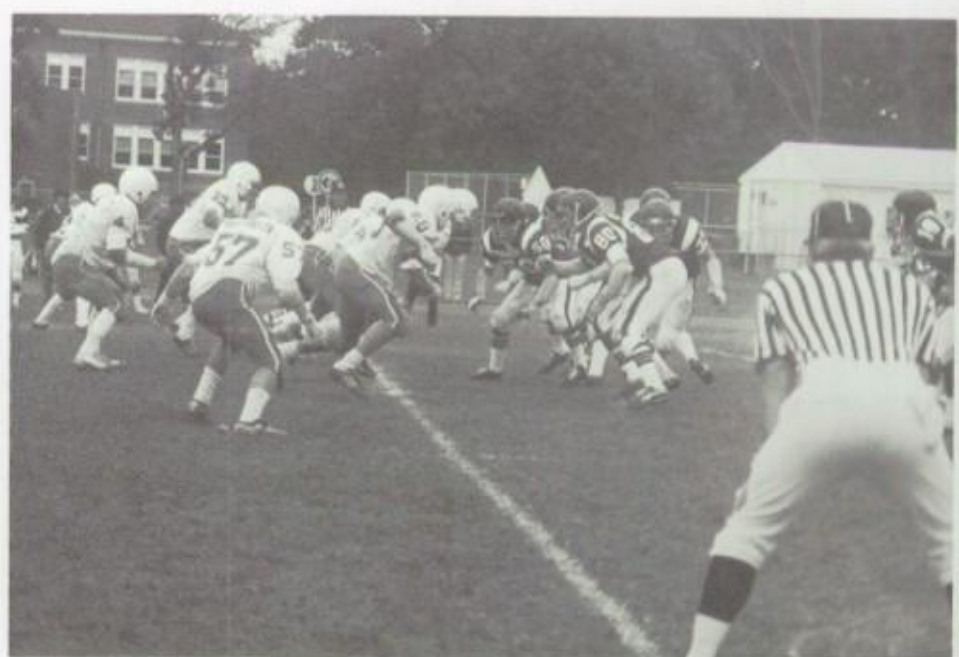

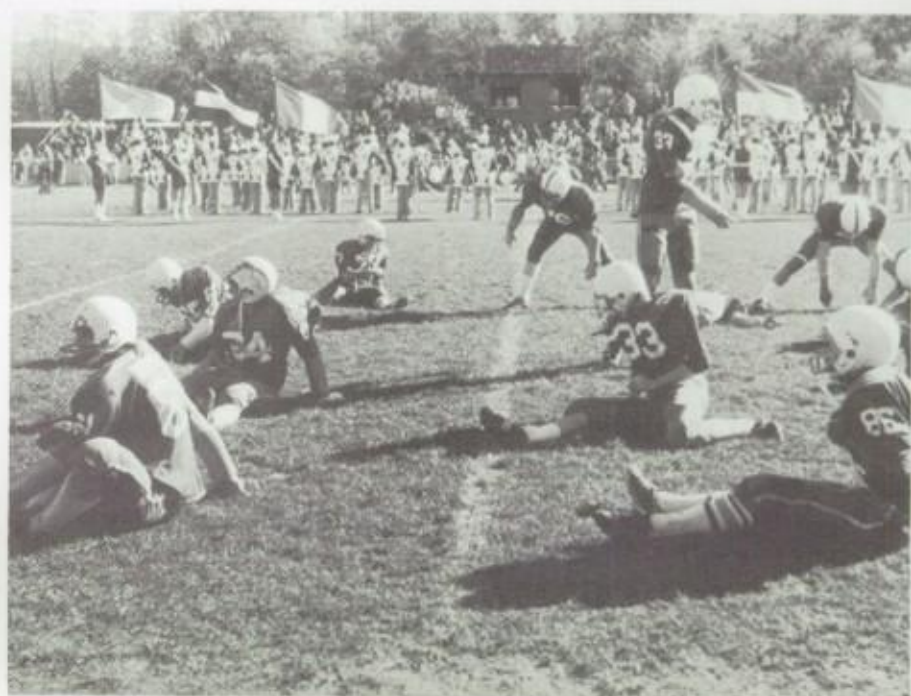

On October 8, the Phantoms played host to East Hampton and the Bonackers spoiled a homecoming by defeating Bayport 19-15.

In the following two weeks, the Phantoms lost early leads and were defeated 14-8 by Bellport and 20-19 by Babylon. Bayport's record was 1-3, yet those losses were only by a total of 11 points.

The last week of October put the Phantoms back in the win column with a victory over Port Jefferson. The offense and defense completely dominated the Royals 18-6.

Defending Conference champs, John Glenn devoured an out-manned Bayport team 28-0 and left the Phantom squad physically mauled. In the last game of the season, a weakened Bayport team was beaten by a powerful Amityville team 43-0.

The 1977 Bayport squad had its moments, but costly injuries and penalties left the Phantoms with a 2-5 record.

The Varsity Basketball Team started the season off on fire. After the first 5 games, the team was 4-1 including 2 wins over Sayville, one by 18 points, and one over Islip.

However, the league schedule proved to be more formidable than the non-league schedule. Every team in League VI had a height advantage over Bayport. Despite this, the Phantoms had a 4-6 record with wins over Floyd, Riverhead, Port Jefferson, and Longwood. With this record, the Phantoms narrowly missed a Suffolk County playoff birth.

The team finished with an overall record of 9-9. With one exception, every school the Phantoms played was bigger than Bayport. The 9-9 record also represents the best record the Varsity has had in recent years. With 8 returnees, 7 of them guards, next year's team should be the most exciting Bayport team to come around in a long time.

Are these cheerleaders or are they members of the varsity basketball team?

The 1978 Varsity Girls team had a very exciting season this year. They were the first girls basketball team to make the Suffolk County playoffs and they finished their season with an overall record of 10-6 and 7-3 in league play. 8 of these games were decided by three points or less.

The girls finished their season with a loss in the playoffs to the eventual county champs. All in all it was a good season for the girls.
